Music Teacher (Autumn Term) enrichment £720.50. Therefore, leaving £2,911.69 with £2,833.19 of this amount being PTFA funds raised.

### **3. LCC School Finance Updates**

- School Finance Team are not completing/uploading finance forecast reports currently. These will resume in a fortnight. Therefore, we have manually added our latest budget forecast amounts to the appendix reports. Please note that % spent to date (actuals) is against the original budget column not the forecast.

### **4. HR and staffing update**

- Absence Management processes are being followed at Stage 1 for 1 staff member (non-teaching).

### **5. Health and Safety & Building & Maintenance**

- E12- buildings and maintenance budgeted £18, 000, however, spend to date (31<sup>st</sup> January 2024) is £22,529. This has been increased to £28,000 on the MTFP.

Unplanned maintenance includes: making paving slabs safe, replacing FS rotten fencing £3590, metal pole on step in playground, replacing toilet systems/plumbing/taps £930 and £658, door access control system £3,675 on KS1 safeguarding need, MBA blinds £2328. Boiler fault December and call out £1313. Pond House £586.

Still to be billed in this financial year: Boiler- broken pump had to be replaced at £2922, new toilet flooring KS1 to make safe £1,033.

- E14: Cleaning- contract: £33,000 on plan. Includes 3 cleaners and caretaker. Actuals £35,000.

Additional costings include planned maintenance work carried out by caretaker (emptying roof and refurbishing the pond house).

- E16: Electricity: Budgeted £22,000 as advised by SFT. Current spend £15,989.81 with forecast estimated based on average bills which should total between £19,000 and £21,000. Therefore, we have kept the forecast as originally set to reflect worst case scenario.
- E16 Gas: Budgeted £20,000 and current spend of £6,523.42. 3 more bills to come out Dec-Feb. Forecast changed to £14,000 to reflect worst case scenario. For future years, we have been advised to be cautious and to raise our forecast from £4,000 to £7,000 until further communication is received from SFT.
- E18 Refuse charges have increased by £800 due to upfront costs of new food waste bins being introduced. Long term, this will reduce the cost of refuse collection due to our large bins being charged on weight. The introduction of food waste bins will ensure we are not charged excess rubbish weight each week.
- Other premises cost budgeted £3,500 with actuals of £5,800. This includes purchase of caretaking shed for storage (as boiler room cannot be used) £917 and £1200 for trees to be cut back and made safe.
- E23- Significant reduction in insurance premiums. See Appendix 1.
